This Specially called meeting was called to order at 4:00.

Members present: Jay Carriker, Rita Louise, Sam Moseley, Tony Crosby, Mary Lynn Vassar and Faye Whitaker. City staff present – Garnett Johnson, Historic Preservation Officer

No. 1. Public Comment Period:

No citizens present to comment.

No. 2 New Business -

Item A Review COA application for 310A North Washington

The application for a discovery phase for 310A North Washington by The Bricks Investments was submitted by Karen and Glenn Bickerdike was signed on February 1, 2022. The contractor for the work is Steve Roberts. The owners were not present. The application was approved for:

Investigation/discovery demolition of the exterior of the property at 310-A. This would consist of removing any hardy board or siding to see what was behind and determine if brick is behind the existing façade. This would also include the removal of the existing awning at 310 and 310-A N Washington.

After a brief discussion the board was approved unanimously by the board members present.

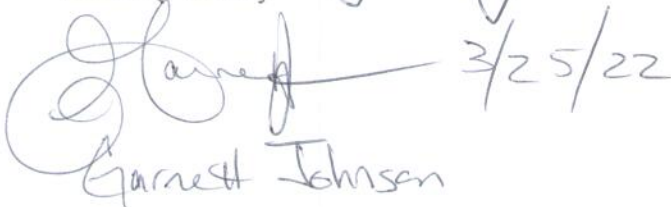

Adjourn

The meeting was adjourned at 4:15 pm.

Meeting notes transcribed from recording by the board chair.

Anthony Crosby
